WHY: Develop leadership abilities to strengthen your local association

COST: \$45.00 per person plus lodging

This should be a very exciting, motivating, and useful conference for officers to attend. The students will set up a year long program of work and carry out the details. It will give the students responsibility and build their leadership skills so they will be comfortable being an officer on the local or district level.

REGISTRATION

Attendance will be limited to local chapter and district officers. We will take the first 250 who register with the State office. The deadline for registration will be September 15th, 2005 and this is what the school will be charged for (names will not have to be sent in until September 23th). There **will not** be any on-site Registrations accepted. This is so we can plan the conference. The cost of Registration will be \$45.00 per person and will include 4 meals (3 meals on Friday and breakfast on Saturday). Please e-mail, fax, or mail the Registration form back by September 15th with the number of students and advisors. Names are to be submitted by September 23th, 2005.

LODGING

The rooms will be \$55.00 each (singles & doubles) plus 3% lodging tax (\$56.65 per room) and each school is responsible for making their own reservations by September 10th, 2005. We have a total of 164 rooms reserved for the conference. Be sure to mention that you are with SkillsUSA Missouri.
